## YOU DUBY CITE BOUGH

## 1959 GLADIOLUS SEED LIST

Please read carefully before ordering. All packets of seed are priced at 35¢ each; 3 for \$1.00; 10 for \$3.00; 18 for \$5.00; 40 for \$10.00. I give EXTRAS of my own choosing on orders over \$2.00. Number of seed per packet varies to allow for different values, but the minimum number is indicated in bracket (). Please list substitutes from which I may choose in case I am sold out on any items ordered, or I will refund if you prefer. You may order by pkt, number or the names of the crosses. Seed parent is listed on the left, pollen parent is on the right. All seeds were produced from carefully selected parentage and hand pollinated. Orders are filled in rotation as received, and will be mailed at once. I reserve the right to limit the number of seeds of any one single cross to any one customer.

The growing season here was wonderful for growing and harvesting seeds. I have a good crop of fine plump seed to offer. Thanks to many of my correspondents several of the crosses were made to fulfill your desires. I have tried to combine strong, vigorous, healthy varieties with those that are very beautiful and proven parents. I grow varieties that are particularly good in resisting sun wilting and fading. I expect some fine seedlings from the seed offered in this list. I have good reports coming in from seed purchased here, and some good introductions are in the offing. Look for my 3 new seedlings registered with NAGC. Descriptions are in the December, 1958, Bulletin for Iallura, Glee, and Liahona. Hope that all of you may enjoy these beauties when stock is large enough to permit introduction.
